QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.
